Items of Local Interest.

Fire.—The dwelling house of James Ward, on Market Street, caught fire last Saturday; but owing to the prompt appearance of the citizens, the flames were subdued with but a small loss.

The farmers of Vinton County inform us that the prospect of the coming wheat crop is of the most encouraging nature.

Dedication.—The new Catholic Church, at Waverly, Ohio, was dedicated by Archbishop Purcell, on the 9th inst.

Mrs. PAGE will accept the thanks of the Printers of the Enquirer Office for the excellent wedding cake sent.

Job PRINTING.—Get all your Job Printing done at the Enquirer Printing Office, in Malone's Building, for besides the best printing, you will also find the lowest prices.

LOCAL ITEMS of interest will be thankfully received from our friends, at any time, from any part of this or adjoining counties.

SWEET POTATOES AND SWEET POTATO PLANTS FOR SALE.—Levi Wyman, who resides 1 1/2 miles south from McArthur and 1 1/2 north of McArthur Station, wishes to inform the public that he has for sale a large quantity of the Yellow Nansmond Sweet Potatoes, the best kind for this climate, which he will sell at \$4 per bushel. He intends to raise plants from 50 bushels of Sweet Potatoes this season. Those wishing Sweet Potatoes or Sweet Potato Plants, will please call upon or address him at Dundas, Vinton County, Ohio. He can, on receipt of the money, ship either Potatoes or Plants by Railroad to any point. Give him a liberal patronage.

S. C. SWIFT, Chillicothe, Ohio, as will be seen by referring to an advertisement in today's paper, is now receiving a full stock of Goods in his line, bought in the East within the past few days, at much lower prices than the early Spring purchasers. We are sure that he sells all his Goods as low as can be bought in the Cincinnati Market, and many articles at lower rates. We would advise the merchants of Vinton County to go and examine his Goods. His assortment is large and complete.

PERSONAL.—Our friend, Allen G. Gilleland, late of the Zaleski Furnace Co. Store, now resides at Odia, Marion County, Illinois. From a letter received last week from him, we learn that he is opening a Dry Goods Store in that place. May he prosper in his new home!

We were pleased to meet, on Saturday last, our young friend, Wm. S. Metcalf, with whom we formed an acquaintance at this town many years since.

If you want good Photographs, Ambrotypes, Opalotypes, or any other kind of pictures, go to C. J. Billington. He is better prepared than ever for enlarging pictures to any size.

Take your old, faded, scratched, and defaced pictures to him, and you can have the finest of pictures made from them.

If you want any kind of pictures framed large or small, he is always ready to do that kind of work.

If you want a fine gold ring or other jewelry, call and see him.

If you don't want anything, call and see his pictures.

He will always be found at his rooms during business hours, in T. B. Davis building, up stairs.

If you want to buy or sell anything, no matter what, the best way you can accomplish your object is to advertise in the Enquirer. It is the time to advertise. Try it.

"THE HEAVENLY CHURCHES."—We have for sale at this office the most superb steel line engravings of "The Heavenly Churches," from Raphael's "Sistine Madonna," which we invite everybody—especially the ladies—to call and see. The price is low.

PARTICULAR NOTICE.—Those who prefer paying their subscriptions in any kind of country produce, or wood or coal, are informed that they may do so, as we have made arrangements to receive the same at any time. Send us your names, your country produce, wood and coal, and we will send you the Enquirer, and then you will be happy and "can go on your way rejoicing!"

A WOOLEN FACTORY.—A person who owns a large and valuable tract of land, through which the Marietta and Cincinnati Railroad passes, west of and adjoining the Zaleski Estate, in Vinton county, authorizes us to state that a site for a Woollen Factory will be given free to any party who will build upon it. It is an excellent place for a Woollen Factory; about one mile from the Zaleski Depot of the M. & C. R. R.; and water, coal, wood, and every thing else necessary for building and running an establishment of this kind, being near at hand. We think there is not a more convenient location in this county for a Woollen Factory. For further particulars call on or address the Editor of this paper.

The Little Corporal is almost universally needed by the press to be the child's paper published in the country. —*Berkshire County [Mass.] Eagle.*

The price of The Little Corporal is on dollar a year.

Spring work is coming in the field, Orchard, and Garden, and in the grounds about the house as well as in the house. The best information about the most pleasant and profitable method of performing this work is, of course, to be found in that large, reliable and cheap journal, the *American Agriculturist*. We have received the April number, and it fully carries out the Publisher's promise to always keep on making every number better than the previous one. This like every other issue thus far this year, has eight large pages extra. This single number contains between 40 and 50 pleasing and instructive engravings, one of them a full page, and several others very large and beautiful. A full three-page calendar of work to be done will furnish many useful hints for the Farm, Garden and Household.

A slashing article on Humsbugs exposes by name a large number of the swindlers of the country people.

There are, besides, more than a hundred articles and items full of instruction to every cultivator of a garden plot, or a farm. More than 150,000 people now enjoy the advantages offered by the *American Agriculturist*, and everybody else, and his wife (and his children also) should have it. Its beautiful pictures are alone worth many times its cost, which is only \$1.50 a year, or four copies \$7.

Take our advice and try the *Agriculturist* this year, and we will guarantee satisfaction.

Orange Judd & Co., 41 Park Row, New York City, are the publishers.

Special Notices.

A YOUNG LADY returning to her country home, after a sojourn of a few months in this city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft rosy complexion, and smooth, shining hair, instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she had used the *Chastellars' Hair Exterminator*, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance as much as she.

Know Thy Destiny!
MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to see the future of a person, and by the aid of an instrument of intense power, known as the Psychometre, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with the date of marriage, position in life, leading traits in character, &c. This is no humbug, as thousands of testimonials can attest. She will send when desired a certified certificate, stating place of birth, age, disposition and complexion, and enclosing fifty cents and a stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications respecting this, and all other matters, addressed to Madame E. F. Thornton, P. O. Box 223, Hudson, N. Y.

Reparator Capilla.
Throw away your false frizzes, your wigs, your wig-
Destructive of comfort, and not worth a fig. Come aged and young, come rich and poor, And repose in your own luxurious hair.
REPARATOR CAPILLA.
For restoring hair upon bald heads from whatever cause it may have fallen out, and forcing a growth of hair upon the face, it has no equal. It will force you to grow upon the smoothest face in from five to eight weeks, or hair upon heads in from three to five. A few practitioners have asserted that there is no such thing as forcing the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It is certainly difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the *Reparator Capilla*; it will cost you nothing, and if it comes to your expectations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned to you on application, providing entire satisfaction is not given. It is the only article used by the French, and is considered by the Parisian as indispensable to a perfect toilet.
